Are solar battery cabinets suitable for off-grid solar panels?

Our solar battery cabinets are ideal for off-grid solar panel system, with the capacity to fit up to 10 batteries | available all over Australia.

Can I add more cabinets to my solar system?

Please note: Larger systems are possible by simply adding additional cabinets. Ready to get started? We can provide you with a quotation for all your solar and power requirements. Wescor are the Off-grid and On-grid Battery Storage Experts. Wescor provides and installs quality Battery Enclosures. Call 0401 556 546.

What are the best battery cabinets?

The PEW3 & PEW4 are our most compact battery cabinets in the range. These cabinets are an optimal choice for smaller systems. The size and construction of the PEW cabinet makes it well suited for secure installation in tight spaces and residential properties. Additional cabinets can be added for expansion as required, maintaining the low profile.

PowerPlus Energy offers a range of battery storage cabinets, including slimline and rack options. Keep your energy storage organized and secure with our high-quality solutions.
