We're converting two shipping containers into an off-grid home! Each unit includes solar power, battery storage, water & septic-ready setup, and modern finishes.

Offering affordable and customizable options, we revolutionize the conventional real estate market. Off Grid, Tiny House, Pool, Tiny Home, Custom Home.

Our off-grid shipping container homes offer a unique opportunity to create a self-sufficient, personalized haven designed to fit your needs. From innovative floor plans to green features, discover how you ...

But it's the reality for thousands of off-grid tourist resorts and island tourist attractions attempting to balance heaven with electricity. So how do you install a solar container for island power?

Choosing to live off-grid in a container home isn't just an alternative lifestyle -- it's a calculated decision of energy independence, sustainable living, and long-term economic strategy.

We manufacture beautiful, comfortable, and high-quality prefabricated solar off-grid shipping container homes for sale.

Create an eco-friendly, off-grid oasis with the Off-Grid Container Conversion Kit. Includes solar panels, water filtration, and more for sustainable living.

Modular, solar-powered shipping-container systems for remote living and businesses. Complete off-grid power solutions built by licensed electricians at Danger Electric.
