We've all seen ads claiming you can get free solar panels from the government or a local installer. If free solar panels sound too good to be true, it's because they are. Solar panels cost ...

SEATTLE -- Scammers across the U.S. are going door-to-door, pitching "free" solar energy systems. Many homeowners never get any solar ...

Wondering if free solar panel programs are legit? Learn what getting "free" solar panels really means and how it might cost you in the long run.

There's no such thing as free solar panels. There are no federal government giveaways for solar panel installations, and no company is required to offer them for free. You may be eligible...

As more Americans turn to solar power to energize their homes and businesses, offers for "free solar panels" are becoming increasingly common. But, how can you know if the claims are true?

Did a salesperson knock on your door and promise free rooftop solar panels at no cost to you? Or say you'll never have to pay another electricity bill because government programs, grants, or ...

The Energy Department and the Solar Energy Technologies Office have warned consumers about this type of online scam involving solar panels. We rate this claim False.

SEATTLE -- Scammers across the U.S. are going door-to-door, pitching "free" solar energy systems. Many homeowners never get any solar equipment installed; those who do often get ...
