Who is hightec solar?

Hightec Solar is one of America's premiere manufacturers of 12 volt solar panels and accessories for the off grid solar market. In addition to this we are one of the midwest's largest panel distributors. Hightec Solar is always ready to help with any project large or small. From 1 panel to 100 megawatts we have solutions for all needs.

Why should you choose hightec solar?

Our products are made to meet the demands of our customers who have a need for an affordable, high-performance solar power system. Whether you're building your first off-grid solar power system or wishing your existing one was more efficient than before, Hightec Solar can help!
