The Sunway 100kW/232kWh Liquid-Cooled Energy Storage System is designed to deliver reliable performance in commercial, industrial, and utility-scale settings.

This integrated solar battery storage cabinet is engineered for robust performance, with system configurations readily scalable to meet demands such as a 100kwh battery storage requirement.

It adopts door-mounted embedded integrated air conditioning, which does not occupy cabinet space, improves the available space of outdoor cabinets, has better structural integrity at the top, and has ...
