Who are the top 20 global photovoltaic module manufacturers?

During the conference, PVBL announced its annual ranking of the top 20 global photovoltaic module manufacturers. In 2024, the global solar module market continued to see the strongest players thrive, with the top four enterprises -- JinkoSolar, LONGi, Trina Solar and JA Solar -- collectively shipping over 320GW and dominating the industry.

How many solar PV module manufacturers are there?

Wood Mackenzie has released a comprehensive ranking of global solar PV module manufacturers based on a unique scoring criteria. Wood Mackenzie evaluated more than 60 solar PV module manufacturers based on vendor surveys, public filings, proprietary databases, and dozens of conversations with manufacturers.

What are the key characteristics of global PV module manufacturers?

This report, drawing on the latest developments in the 2025 market, analyzes the key characteristics of the top 10 global PV module manufacturers across four dimensions: technological capability, vertical integration, international presence, and performance in the European market.

Which countries are boosting solar PV installations?

China, India, and Japan are boosting solar PV installations through several schemes and policies. China, in particular, is ahead of its competitive nations with a 100 GW addition in 2022 - a 60% increase in its solar PV capacity compared to the previous year.

Wood Mackenzie's score-based ranking assessed more than 40 leading module manufacturers across 10 countries. These companies accounted for 62% of global production ...

This report, drawing on the latest developments in the 2025 market, analyzes the key characteristics of the top 10 global PV module manufacturers across four dimensions: technological ...

This report is a Module manufacturer ranking report that provide insights and information on top 10 suppliers. Wood Mackenzie has released a comprehensive ranking of global solar PV ...

Top 10 Solar PV Manufacturing Companies by Module Production Capacity  
Top 10 Solar PV Module Manufacturing Companies in The World  
Global Solar PV Market Outlook 2024 - Blackridge Research & Consulting  
Wrapping Up  
In this blog we will cover the world's top 10 solar module companies that are ranked based on their production capacity as of december 2023. See more on [blackridgeresearch](https://blackridgeresearch.com) .b\_wpt\_bl
