We make mobile solar containers easy to transport, install and use. Make the next step towards renewable energy with our Solarcontainer! The challenges of our time are more present than ever.

The Sactec Solar SunMax Trailer 5000, a mobile, containerized hybrid power solution, combines solar, wind, battery, and diesel power to deliver up to 23.5 KWh per hour of energy.

This large-capacity, modular outdoor base station seamlessly integrates photovoltaic, wind power, and energy storage to provide a stable DC48V power supply and optical distribution.

Plug-and-play solar power containers are integrated energy systems that combine photovoltaic generation, power conversion, energy storage, and control systems within a standardized container ...

Discover our range of innovative solar panels on shipping container products engineered to meet your renewable energy needs with maximum efficiency and reliability.

Integrated Solar-Wind Power Container for Communications This large-capacity, modular outdoor base station seamlessly integrates photovoltaic, wind power, and energy ...

Huijue Group offers industrial and commercial energy storage, PV-BESS -EV Charging, Off-grid / On-grid Microgrid, telecom site solutions, and home solar energy storage, ensuring ...

Create modern, eco-friendly spaces with Corner Cast's shipping container solutions. Our bespoke designs offer innovative, affordable, and sustainable wind and solar energy spaces tailored to your ...
