Is SunPower looking for a new CEO?

However, earlier this month the company secured a crucial \$175 million in term loan from Sol Holding, the company's majority shareholder and an indirect subsidiary of TotalEnergies (TTEF.PA), and Global Infrastructure Partners. Faricy became the top boss in 2021, and SunPower said it was conducting a search process for a new CEO.

What happened to SunPower CEO Peter Faricy?

REUTERS/Peter DaSilva/ File photo Purchase Licensing Rights Feb 27 (Reuters) - U.S. solar power storage and energy service provider SunPower (SPWR.O) said on Tuesday that CEO Peter Faricy had left the company, days after former chief executive Tom Werner was appointed as executive chairman. Shares fell 4% in late morning trading.

Which solar power plants does Sungrow support?

Sungrow supports one of the world's northernmost solar power plants in Lapland with its SG350HX inverters. "As solar energy expands into new frontiers, we are proud to support our partners with technology that performs reliably - no matter the conditions," says Henry Särkiilta, Key Account Manager at Sungrow Finland. 7. Tesla

Can SunPower stay in business in 2023?

SunPower in December 2023 raised doubts about its ability to stay in business, saying a breach of a key credit agreement could prompt lenders to recall certain loans.
