---

The panel includes bypass diodes to minimise the effect of shadows and is supplied with all a 5m cable, connectors and detailed installation instructions for permanent fitting.

Attending to every detail in the design and manufacture of our products, our process controls and testing methods have optimized module life and electrical energy production. Ameresco Solar's off-grid ...

Learn about the SunWorld SWM-60W solar panel. Explore solar panel efficiency, warranties and more.

Technical parameter Maximum Power(W) 60W Optimum Power Voltage(Vmp) 18.46V Optimum Operating Current(Imp) 3.25A Open Circuit Voltage(Voc) 22.51V Short Circuit Current(Isc) 3.57A ...

High module conversion efficiency (up to 15.44%), through innovative manufacturing technology. Advanced glass and solar cell surface texturing allow for excellent performance in low-light ...

60W Rollable Solar Panel The 60W Rollable Solar Panel is lightweight, durable and extremely portable. The solar panel is fully waterproof and constructed with marine grade connectors to provide a ...

Our range of solar panels are constructed from ultra-efficient polycrystalline and have been designed to provide a reliable and cost-effective alternative energy solution for applications where mains power is ...

Impact, vibration, and water resistant. Perfect for mobilized power.
