Power your home with solar energy and send any excess to the grid. A 24/7 whole-home backup with reliable, clean energy. Start your energy freedom journey now. Our solutions are tailor-made to your ...

At Sungrow, we are committed to promoting the development and application of clean energy across all major energy technology sectors, including solar, wind, storage, electrification, and hydrogen.

At the Sungrow PV & ESS Summit, Sungrow presented the Single-Platform Design for DC-Coupled PV-ESS Solution, featuring the 1+X modular inverter with dedicated storage interface, ...

Sungrow PV solar inverters, with over 99% efficiency, convert solar energy on any scale you need. From 2 kW to 8.8 MW, our solar inverters ensure optimal power conversion for residential, commercial, ...

Our system powers your home while delivering extra energy to the grid. It's a sustainable, safe and intelligent way to embrace a zero-carbon lifestyle. With advanced technologies such as PowerMax ...

Our one-stop home energy solution combines PV inverters, energy storage systems, and EV chargers--imagine a home fully powered by clean energy, day or night, rain or shine.

With the launch of PowerTitan 3.0 and its Single-Platform DC-coupled solution in Europe, Sungrow will continue to advance technological innovation and solution evolution, accelerating ...

The Sungrow SG350HX inverter is a three-phase string inverter designed for large photovoltaic installations with a 1500 V DC system. This model offers very high efficiency and extensive grid ...
