In our Vivint Solar Review, we will show you what to expect from the Vivint solar system, where you can get one, and how to take advantage of all tax credit options available to Vivint ...

Vivint Solar was an American provider of photovoltaic solar energy generation systems, primarily for residential customers. The company was established in 2011 as an offshoot of home automation and security company Vivint and was headquartered in Lehi, Utah. The company primarily used a power purchase agreement (PPA) business model where Vivint Solar installed and maintained ...
