Learn how solar power can benefit malls and shopping centers, and how portable solar panels can help make them more energy-efficient in this guide.

Solar Growth Among Big-Box Retailers and Shopping Mall Owners
Economic, Social and Environmental Returns
Solar on Every Shopping Mall in America?"I'd love to see solar on the roof of every shopping mall in America, but it can't stop there. From shopping malls to office buildings to single-family and multi-family homes, if we're going to have any chance at mitigating the harmful impacts of climate change, we're going to need to see a significant acceleration in the deployment of renewable en...See more on solarmagazine
